Saturday, February 9, 2019
1:00 – 7:00 pm
McCarter Theatre Center

Teachers and administrators create safe learning environments for their students. This event will examine the complexities of anti-racist/-bias cultures within our diverse classrooms.

Together we will experience *The Niceties*, an evocative play, that exemplifies the conflicts which arise due to racial tensions.

Going beyond *The Niceties*, we'll discuss social identity, forms of oppression in schools, and issues of diversity, inclusion and equity. We'll develop strategies to disrupt and address racism and bias among students and colleagues.
